

The monthly update of the claimant count and Jobcentre vacancies data series took place at 09:30 on 16 March 2011 with the release of new data for February 2011. The full list of updates is given below.

Accessing the data: Headline claimant count and Jobcentre vacancy figures for an area are available from the area profiles. Choose either the [local authority profile](#), [parliamentary constituency profile](#), or [ward profile](#) depending on the type of area for which you want figures. The [headline national and regional figures](#) are available as a spreadsheet download (xls).

To access the full datasets in advanced query use the links in the list below.

Jobseeker's Allowance Claimant Count
